## EXPERIENCE

### **Treeline Pass, Denver — Behavioral Technician**

Dec 2021 - Present

Assist adults with developmental disabilities in a day time habitation program ensuring the clients follow individualized safety plans and engage in personalized activities; provide support with feeding and toileting.

### **CCD Clinical Rotations, Denver — LPN**

May 2021 - May 2022

Craig Hospital - Provided care to spinal cord and traumatic brain injured patients.

Berkley Manor - Provided care in both a long term and an acute care setting.

Park Forest Care Center - Provided care in a long term care facility that specializes in chronic illness and psychiatric patients.

Denver Public Schools - Provided vision and hearing screenings to children 5 years old to 19 years old.

### **Amada Senior Care, Lakewood — CNA/Caregiver**

December 2020 - June 2021

Traveled to different care facilities to help people carry out their activities of daily living (ADLs). Primarily worked with adults with intellectual disabilities and seizures. Performed assistance with activities in daily living as well as preparing meals and housekeeping.

### **RRCC Inclusion and Diversity, Lakewood — Clerical Assistant**

January 2020 - December 2020

Created resources and instruction for other employees. Organized files and folders. Supported the school's diversity, inclusion and equity efforts by providing resources to meet students' needs regardless of any social, political, economic, or personal standing. Resources such as meetings, pan flats, and group discussion were provided to clients.
