### **Charge Registered Nurse**

Good Samaritan Hospital - Vincennes, IN

April 2019 to Present

I am currently a Charge Nurse on the Medical Surgical Step Down Unit. This position requires flexibility, versatility, and being able to adapt to high pressure situations. I am independently responsible for a team of patients while providing a complete physical assessment, monitoring lab values, administering medications including IV therapy and blood products, as well as being a patient advocate.

### **Registered Nurse**

Deaconess Medical Center - Evansville, IN

October 2018 to April 2019

As a staff nurse in the Orthopedics, Neurology, Trauma Unit this requires flexibility, versatility, and being able to adapt to high pressure situations. I am independently responsible for a team of patients while providing a complete physical assessment, monitoring lab values, and administering medications including IV therapy and blood products. Many patients require preparation for surgery and other procedures.

### **Licensed Practical Nurse**

Wexford Health Sources, Inc. - Sumner, IL

April 2015 to September 2018

I worked for Wexford Health Sources in Lawrence Correctional Center as an LPN. Responsibilities include assessing patients for chronic medical conditions (such as Diabetes, Hypertension, Cardiac Issues, etc.), passing medication to upward of 150 people per shift, maintaining accurate paper charting, administering wound treatments, drawing labs, completing patient urinalysis, and routine activities of daily living.

### **Licensed Practical Nurse**

Richland Memorial Hospital - Olney, IL

January 2013 to April 2015

#### Responsibilities

As an LPN in the Emergency Room my responsibilities included assisting in stabilizing the patient (if necessary), obtaining vital signs, documenting events prior to emergency, assisting with procedures, and transporting patients. I also cleaned patient rooms, stocked supplies, placed orders, and handled incoming calls. This was a temporary position as the needs of the department changed.

#### **Licensed Practical Nurse**

Genesis Health Systems- Rheumatology Dept - Davenport, IA

June 2011 to July 2012

While at Genesis Medical Group my responsibilities include assisting with procedures, obtaining patient x-rays, completing accurate medical charting, scheduling appointments, obtaining past medical history, administering medications and patient follow up. I also completed many office tasks such as cleaning patient rooms and stocking necessary supplies. After 1 year of operation the company decided to close the rheumatology department.

#### **Licensed Practical Nurse**

Peoria Ear Nose and Throat - Peoria, IL

January 2008 to June 2011
