

Hope Mazi, BSN

(909) 363-5378 | Hope.mazi76@gmail.com |

Ambitious and dedicated new BSN student pursuing a position in the emergency department dedicated to providing quality, and effective, care to patients. Empathetic patient advocate who is detail oriented and a desire to create a healthy and positive work environment. Strong teamwork skills as well as able to effectively complete tasks independently. Seeking to advance and perfect hands-on skills and build on my therapeutic communication skills with patients and interprofessional healthcare workers. Provide high professional care during intense and stressful situations while simultaneously comforting and calming patients. Top skills include efficiency, organization, and critical thinking.
