Memberships & Committees- Full List Available Upon Request

- OSU Medical Center, Tulsa Bard Catheter-Education Champion 3/18-6/18

Volunteer Work:

- Charleston Animal Society Volunteer, 2 hrs/week 10/18-5/19
- Homeschool Book Benevolence Director of Operations, 20 hrs/week 6/14-4/18
 - Responsible for sorting and organizing of incoming book donations from individuals, schools, libraries, and stores as well as out-going book donations of surplus merchandise. Organized weekly book "sales" which were free book giveaways to the open to the public. Coordinated with the local college to help with students needing volunteer hours, worked with one of the largest local school districts to help them amass books for their yearly summer children's book drive for the underprivileged in the community who don't have easy access to libraries.
