Key skills

I have 15+ years' experience providing direct care to patients. My skills include carrying out plans of care and observing behavior, vital signs, symptoms, and responses to treatment. I have worked with a wide range of diagnoses, including stroke, spinal cord injury, neurological disorders, joint replacement, fractures, multiple traumas and cardiac/pulmonary conditions.

Accomplishments

Employee of the Quarter (Q1-2016 and Q3-2020)

Consistently recognized by patients and family as providing excellent care

Leadership

While at Baptist Village, I held the role of charge nurse, being responsible for all staff and patients in the facility.

I was solely responsible for all aspects of the admissions process at Encompass Health – Fort Smith, an 80-bed inpatient rehab facility.
