Pink's Hot Dogs - Camarillo, CA

December 2019 to Present

I work both the front and kitchen. I know how to open and close the front. I know how to close most of the back. I don't know how to open the back. In the kitchen I'm either on dishes, or on the line or if need be a mixture of both. In the front when you're not busy with customers you're time is spent cleaning, restocking, making boats, or daily tasks and responsibilities.

I was a babysitter to ten plus kids. Arrived at 7 every morning, helped dress the children, do their hair, feed them. Taught them colors, numbers, shapes, words, vowels, etc. Played with them. Partook in various other activities to help them learn or grow. Disciplined as necessary. Absolutely loved this job and would be overjoyed to get back into it again.

Intern

The Smoke Shop - Highland, CA

It was a family run smoke shop that I helped with. I was responsible for checking for outdates, restocking snacks, cigarettes, cigars in our humidifier, whatever needed replenished in our cabinets, janitorial work, customer service, helping open and close, I'd help my Mom buy product, I'd help my uncle at our sister store in Ontario, she taught me how to work a register, I'd help in the glass room to prevent theft.

Another family owned business. We'd buy rundown houses, flip them, and resell them. They did most of the harder stuff and I was responsible for cleaning, painting, I'd help my Mom lay tile, and I'd help her with landscaping.
