Work Experience

RN Contractor

ShiftKey - Lees Summit, MO

December 2021 to Present

I currently work in long term care facilities all over the KC area, and have had nights in charge of 60+ patients alone. Enjoy problem solving and using critical thinking to develop patient centered care plans.

Hospice Nurse

Crossroads Hospice and Palliative Care - Independence, MO

January 2020 to December 2021

I worked as an on call hospice nurse and often triage phone calls with hospice patients and families, go to emergent visits for a wide variety of issues, and provide education with patients and families on medical care.

Registered Nurse - Medical Surgical/Oncology

Liberty Hospital - Liberty, MO

May 2018 to January 2020

Worked with post op patients and oncology patients. Also floated to a variety of other units including ER, ortho, med/telemetry, and cardiac care. Competent in leadership skills, adapting to changing situations, and seeking solutions to keep patients and families comfortable during difficult times.

Certified Nursing Assistant

The University of Kansas Health System - Kansas City, KS

May 2015 to May 2018

Worked as a PRN nursing assistant and floated to over 24 units during my time working at KUMC. Quick learner and able to utilize critical thinking during a variety of situations to provide effective and safe outcomes.

Education

Bachelor's degree in Science and Nursing

University of Missouri-Kansas City - Kansas City, MO

August 2014 to May 2018
