PROFESSIONAL EXPERIENCE

RN, EMERGENCY DEPARTMENT

PREMIERE HEALTHCARE PROF | CUMMING, GA | 02.2016 – PRESENT

- Actively treat critical injuries, allergic reactions, and trauma.
- Triage incoming patients based on the level of injury providing top quality care.
- Immediately stabilize incoming patients and administer any medications as instructed by physicians.
- Quickly assess and prioritize the needs of our patients while displaying strong decision-making skills during emergency situations.
- Routinely take patient vitals while updating charts with key information.

~~RN, EMERGENCY DEPARTMENT, INTERVENTION RADIOLOGY~~ | Cumming, GA | 02.2016 – 03.2022

GRADY HEALTH SYSTEMS | ATLANTA, GA | 02.2017 – 03.2022

- Actively utilize the nursing process to provide appropriate care treatment plans for patients.
- Provide age appropriate, cultural, and ethnically sensitive care to patients.
- Maintain a safe environment for all patients and staff.
- Educate patients and their families about health practices and treatment modalities.

RN, MEDICAL SURGICAL/PACU

PIEDMONT ATLANTA HOSPITAL | ATLANTA, GA | 02.2015 – 01.2017

- Provided nursing care to patients by utilizing the nursing lifecycle process to assess, plan, implement, and evaluate patient care.
- Functions within the framework of the policies and procedures of the organization.
- Demonstrated professional growth and accountability.
- Actively maintained high standards of nursing practices while coordinating patient care activities
