Work Experience

Registered Nurse

Kadlec Regional Medical Center

October 2021 to July 2022

Med/surg - I took vital signs, administered medications, wound care, educated patients, done pre and post op tasks, collected blood and urine sample, and inserted, managed drains, and removed urinary catheters.

Home Health RN

Aveanna Healthcare - Richland, WA

March 2022 to April 2022

I work with small children and adolescents. I suction tracheotomies, administer medications via gjtubes, administer tube feeds, and take vitals.

Registered Nurse

The Pavilion Rehabilitation and Nursing Center - Lebanon, TN

June 2021 to September 2021

I pass meds, do IV therapy, oxygen, take vitals, and assess patients.

Caregiver

The opal at music city - Nashville, TN

May 2020 to June 2021

I took care of several residents. I worked the in the memory care unit which has dementia residents. I fed, bath, and dress them all. I also do activities with them daily.

Patient Care Technician

Vanderbilt University Medical Center - Lebanon, TN

December 2019 to May 2020

I got a lot of experience on an orthopedics floor and also floated to the cardiac floor.

Psychiatric Technician

Middle Tennessee Mental Health Institute - Nashville, TN

June 2019 to December 2019

I done rounds on the board every 15 minutes. I also sat with 1:1 and 2:1s. I done activities with patients as well.

Education

Bachelor's in Bachelor of science in Nursing

South College - Nashville, TN

January 2020 to June 2021

Associate in Science - Health Science (Pre-nursing)

South College - Nashville, TN

June 2018 to December 2019

Certifications and Licenses

Registered Nurse (RN)

July 2021 to January 2024
