Community Service

Belle Glade Boys & Girls Club

FAMU Health and Safety Day
Department of Health & Physical Education
Palmer Munroe Teen Center

FAMU Candle Light-I Created a poster board about HIV that informed students about the different modes of transmission of the disease, the statistics amongst our school, and the importance of getting tested.

Astoria Park Elementary School: I played, and read to the kindergarten students.

Relay for Life 2016: I participated in the setup, and walked around my campus track to support those suffering from cancer.

Second Harvest 2016: This is a big bend food bank that distributes food in the Tallahassee community, and the time I was there I helped sort food that they received from different sponsors.

FAMU Daycare: I assisted the kids with their breakfast, played different card/board games, and read books to them. I assisted the teacher with the Four-Five-year-old class as they practiced for their show for Kwanzaa. I also played a matching game, taught them about the importance of hand hygiene, and positive interaction amongst each other such as sharing, and no fighting.

Campus/Community Cleanup: I assisted my organization SISTUHS INC., clean up around FAMU campus.

Big Bend Homeless Shelter: I prepared ham & cheese, and peanut butter & jelly sandwiches for the family, and played kickball with the kids.

FAMU RYS-Eco Lab: This is an area on campus that plants food so I help clean the garden, pick the dead leaves, and lay down weed control fabric.

SISTUHS stadium cleanup: Me and my fellow SISTUHS gather together one Saturday morning to pick up trash around the stadium after a home game.

SISTUHS Breast Cancer Walk: I participated with SISTUHS at Cascades park in Tallahassee to support those who survived or are fighting against breast cancer. I also painted kids' faces, and hula hooped them.

Salvation Army: My time there I sorted the different items that were donated so they could be ready to sell.
Breast/Prostate Cancer Panel with Chi Eta Phi Sorority: During intake I gather with my fellow sorors in Sampson Hall, one of the campus dorms to pass out brochures about breast/prostate cancer, discussed the importance of doing self-examination on your breast and prostate, allowed the students to do a return demonstration on the manikin, and I also did blood pressure checks.
