

RN, BSN

Gregory A. Peitz Jr

Objective

To obtain full-time employment as a registered nurse with your organization.

Experience

August 2021 – Present

Registered Nurse *Enloe Medical Center, Telemetry Care Unit (TCU)*

As part of the TCU team, I have continued to build upon the skills that I learned at my previous hospital. TCU nurses are also expected to provide high-quality patient-centered care to 4 patients in the high acuity setting. During my time with this amazing unit, I have added team lead and charge nurse experience to my skillset. EMC being a much larger hospital, I also experienced being floated to medical/surgical floors which trained me to care for 5 patients.

August 2019 – May 2021

Registered Nurse *Oroville Hospital, High Acuity Med/Surg Unit (HAMS)*

Registered Nurses on the HAMS unit at Oroville Hospital must be willing and able to take on 4 patients in a high acuity care setting. This unit requires full-time telemetry for all patients. Caring for 4 patients with high acuities taught me time management and efficiency. Also, I acquired a wealth of experience with cardiac, respiratory, surgical, and neurological patients.

March 2008 – May 2019

Cashier *Costco Wholesale*

Engaging with the public is a primary responsibility of the cashier position at Costco. On average I interacted with over 500 Costco members per day. This allowed me to build excellent interpersonal skills combined with a commitment to efficiency that has laid a solid foundation for my dependable work ethic and ability to freely adapt to situations in my nursing practice.

Education

CSU, Chico
BSN, 2020

Butte College
ADN, 2019

Skills

- Compassionate, patient-centered nursing care.
- Telemetry monitoring.
- Time management and efficiency.
