I am eager to return to the Mental health aspect of nursing. I am a motivated, responsible self-starting individual with 10 plus years of nursing in the mental health field.

Authorized to work in the US for any employer

## Work Experience

---

### **RN**

South Sound Behavioral Hospital  
January 2020 to Present

on the night shift. I am responsible for admitting, triage and assessment of patients being admitted to our hospital. My duties include medication administration, blood draws and daily assessments of our patients and confidential charting..

### **Nursing Supervisor**

Schick Shadel Hospital  
December 2018 to January 2020

I was responsible for 10 employees, making sure that the proper protocols were followed per hospital policy and maintain safety of our patients. I was overseeing the staff schedules making sure that we had adequate staff on duty.

### **RN Supervisor**

Western State Hospital  
August 2016 to November 2018

I was supervising a staff of 19 people, making sure that we were in compliance with CMS and the company policies and procedures. I was taking care of audits and payroll; I also was making sure that we were staffed adequately for daily patient care duties. Overseeing the ongoing training of nursing staff and licensure updates, Annual evaluations and discipline actions as needed,

### **Clinic Administrator and I Am**

CONCENTRA  
September 2014 to July 2016

responsible for 14 employees. I oversee the daily functions of the clinic and we serve our veteran population. I triage, perform clinical assessments, provide education and room patients for our providers. Although this is not my primary job description, I help our team. I make sure that we have adequate staffing for the day, process payroll and make sure that we are in compliance with JACHO/VA policies and procedures

### **RN**
