Hiring manager

Dear Hiring Manager,

Thank you for taking the time to consider my application. I am interested in the Registered Nurse position at your facility with particular interest in the operating and emergency departments. My availability is flexible and I am willing to work any day during the week. I have recently graduated from the Lone Star registered nursing program in August of 2022. Before pursuing my RN degree, I had been working at the Harris County Jail as a Licensed Vocational Nurse. I am acclimated to both a fast paced work environment and can respond effectively to any emergency situation. I demonstrate excellent time management skills as well as showing a high proficiency in multitasking. I have worked as an LVN until I began pursuing my RN degree. Since then, I have developed excellent clinical experience at HCA Kingwood where I have obtained training in the hospital setting. During my clinical placements, I have mastered a range of nursing skills on the job, while developing the ability to think on my feet and learn by doing.

One of my strongest assets that I contribute to the position are my communication skills which are complemented by my ability to consult with doctors, patients, families and other healthcare providers. I have developed an exemplary skill set in practice settings and have been trained in problem solving and clinical reasoning. Through my successful practice assessments, I have proven that I am competent and safe in the practical application of clinical nursing skills.

Working within a correctional institution has provided me work experiences that are often absent in other forms of training. Such work with incarcerated individuals has honed my critical thinking skills. My work as a correctional nurse has prepared me for any adverse scenario, whether it be behavioral or situational.

To support my application, I have enclosed a copy of my resume. I am eager to discuss my application with you in more detail and look forward to hearing from you. Please feel free to contact me any time at (951) 537-7003 and I will also follow up in two days as well. Thank you for your time and consideration.

Sincerely,

Cherise Jeter
