I am a registered nurse in Malawi and Sri Lanka and seeking an exciting and challenging career to further my skills, abilities and experience to the fullest and to work with an organization or an institute where I can possess valuable skills such as confidence and empathy, that I believe make me suited for an ideal nurse.

Expert multitasker and highly organized, which makes it easier for me to manage several patients on my caseload at once.

Respected team player throughout my career, equipping me with the right mindset to want to offer my total time and effort to improve patient outcomes.

Excellent sense of integrity and honesty when dealing with sensitive subjects and situations related to patients.
