## Work Experience

---

### **Emergency Room Charge Nurse/Flow Coordinator/Preceptor - Registered Nurse**

ALBANY MEDICAL CENTER - Albany, NY

March 2017 to Present

- Monitor, record, and report symptoms or changes in patients' conditions through hourly rounds and interacting directly with the patients. Reading and recording patient vitals and other behaviors on a chart to ensure that any changes to a patient's condition are noted and can be addressed immediately by the appropriate personnel to ensure the health and safety of that patient.
- Modify patient treatment plans as indicated by patients' responses and conditions through collaborating with Physician Assistants, Nurses, Doctors, and other appropriate personnel in addition to obtaining patient/family consent when applicable to ensure that patients understand the care that they're receiving as well as any changes to that care.
- Directly supervise a particular patient care area and supervise less-skilled nursing or other healthcare personnel.
- Consult and coordinate with healthcare team members to assess, plan, implement, or evaluate patient care plans.

### **Emergency Room Technician**

ELLIS HOSPITAL - Schenectady, NY

March 2011 to March 2015

- Observed, recorded, and reported to physician the patient's condition, injury, the treatment provided and reactions to drugs or treatment.
- Assisted others to lift patients to move them on or off beds, examination tables, surgical tables, and stretchers.
- Responded to emergency situations, such as emergency medical calls, security calls or fire alarms.

### **Assistant Manager**

RUBY TUESDAY - Albany, NY

July 2001 to September 2010

- Organized, directed and coordinated worker training programs and resolved personnel problems
- Hired new staff
- Evaluated employee performance in dining and lodging facilities.
- Monitored compliance with health and fire regulations regarding food preparation and serving and building maintenance in lodging and dining facilities.
- Monitored food preparation methods, portion sizes, and garnishing and presentation of food to ensure that food is prepared and presented in an acceptable manner.

- Investigated and resolved complaints regarding food quality, service, or accommodations.
- Monitored budgets and payroll records and reviewed financial transactions to ensure that expenditures were authorized and budgeted.
