Hello,

My name is Chester A. Rivera and I am interested in a position as an RN in the Operating Room. I have been a nurse for over 14 years having experience in several different specialties including Med/Surg and Operating Room. The last 8 years of my nursing career have been spent in the Operating Room as a Circulator.

Most of my career has been in a hospital setting but I also have experience in surgery centers.

A copy of my resume is attached listing my previous experience and qualifications. I hope you consider my application to be a part of your team and look forward to hearing from you soon.

Thank you for your time and consideration.

Sincerely,

Chester A. Rivera, RN BSN
