## Work Experience

---

### **Registered Nurse**

Ministry Health/ Butaro District Hospital/ Ruhunde Health Center - Burera-Ruhunde

September 2017 to Present

- Conducts an individualized patient assessment, prioritizing the data collection based on the patient's immediate condition or needs within timeframe specified by client facility's policies, procedures or protocols.
- Conducts ongoing assessments as determined by patient's condition and/or the client facility's policies, procedures or protocols and reprioritizes care accordingly.
- Develops plan of care that is individualized for the patient reflecting collaboration with other members of the healthcare team.
- Performs appropriate treatments as ordered by physician in an accurate and timely manner.
- Performs therapeutic nursing interventions as established by individualized plan of care for the patient and his/her family.
- Delivers care with appropriate age and cultural competence to specific patient populations according to individualized needs.
- Provides individualized patient/family education customized to the patient and his/her family.
- Documents patient assessment findings, physical/psychosocial responses to nursing intervention and progress towards problem resolution.
- Initiates emergency resuscitative measures according to adult resuscitation and advanced life support protocols.
- Maintains confidentiality in matters related to patient, family and client facility staff.
- Provides care in a non-judgmental, non-discriminatory manner that is sensitive to the patient's and family's diversity, preserving their autonomy, dignity and rights.
- Reports patient condition to appropriate personnel during each shift.
- Maintains current competency in nursing specialty by attending educational workshops; reviewing professional publications; establishing personal networks; participating in professional societies.
