Enthusiastic and compassionate Registered Nurse seeking a position to develop and challenge already developed skills, learn a new field, and provide cohesive and thorough care to families and education/resources to families.

Work Experience

Registered Nurse

Dignity Health- Mercy Southwest Hospital

July 2020 to Present

Provided prenatal care and education to expectant mothers, measured vitals of mothers and infants during labor and delivery, coached mothers through labor and delivery respecting their birth plan as much as is safe, followed doctors' orders and anticipated interventions needed throughout the labor process, performed basic tasks on newborns, and helped mothers throughout the recovery process.

Cashier/Expo

Firestone Grill

January 2018 to July 2020

Received orders, provided customer service, reviewed completed orders for correction, delivered food to tables, and maintained communication with entire kitchen staff in a fast-paced and unpredictable working environment.
