James B. Conant High School **2014 - 2018**

Student Nursing Clinical Experience, MNSON at Loyola Chicago **08/2020 – 04/2022**

- **Cardiac Stepdown Unit**, *Loyola University Medical Center*; **OB/GYN**, *Northwestern Evanston*; **Pediatric Floor**, *Luries Children's Hospital*; **Behavioral Health**, *Hartgrove Hospital*; **Community Health**, *Edgewater Community*; **Cardiac Stepdown Unit**, *Northshore Evanston*
- Performed head-to-toe assessments, medication administration (oral and IV), assistance with ADLs, APGARs, fundal checks, vitamin K/Hep B administration, post-partum care to both infant and mom, and documentation in Epic.

Student Clinical Role Transition **03/2022 – 04/2022**
Intensive Care Unit at Northwestern Lake Forest

- 1:1 preceptorship with an RN. Completed 108 hours (9 12-hour shifts) over the span of 5 weeks with a nurse-patient ratio ranging from 1:1 - 1:2. Through preceptor-based learning, this experience focused on assimilating the role behaviors of a professional nurse as a provider, designer, manager, and coordinator of care in health care systems, and a member of the profession. Clinical reasoning, critical thinking, prioritization, and the integration of knowledge are emphasized in this experience, focusing on the provision of patient-centered, evidence-based care as a member of an interprofessional health care team.
- Skills learned/performed in this experience: straight catheter insertion, NG tube placement, G-tube feedings, 12-lead EKG's, IV placement and medication administration, chest tubes, ventilator settings, lumbar punctures, etc.

Patient Care Technician **05/2021 – 08/2021**
Senior Lifestyle, Northbrook: Memory Care

- Worked alongside RNs, NPs, and PTs in holistic patient care
- Daily tasks included taking patient's vitals/weight, as well as ADL's
- Able to overcome communication barriers with dementia patients while providing compassionate care.
