Bourg, LA 70343

daigle0308@gmail.com

+1 985 232 5551

Intensive care unit nurses have multiple duties:

- Monitoring of critically ill, adult and pediatric patients
- Providing exceptional care to patients and their families
- Keeping patients and their families informed through education and open communications on the status of procedures, interventions planned for the day
- Trained to perform life-saving, invasive interventions to stabilize patients
- Using crisis management techniques throughout your shift for optimal patient outcomes

Authorized to work in the US for any employer
