Answer telephones on a daily basis; received calls from concerned parents and provided professional, knowledgeable, helpful, courtesy and responsive customer service. Greeted warmly and answered all questions regarding concerns parents may have had with their child. Welcomed outside representatives coming in to speak to the principal or delivering a package. Helped store the package in the designated area. Make copies for teachers on an as needed basis. Organized files according to what the secretary or principal desired. Contributed in fundraisers and out of work fundraisers. Provided a warm friendly work environment.

Volunteer experiences:

Volunteered with nonprofit organization called AVANCE, with yearly special events such as Mother's Day, Father's Day and Thanksgiving by assisting with special dinners that took place throughout the year. As a volunteer, I assisted the program by making the environment warm and inviting to the families' satisfaction. I also have contributed to numerous hours of volunteer work with my local church. Volunteer hours consist of fund raising, construction within the church, assisting with the children's ministry and youth activities. I have contributed to our community for over 180 hours of volunteer services.
