Work History

Family Nurse Practitioner, 11/2021 to Current

Veda Medical – Live Oak, Texas

- Cared for post-surgical patients after reconstructive, cosmetic, and hand procedures.
- Teamed with supervising physician to provide comprehensive patient care, referrals and high-risk management strategies.
- Formulated lists of current and past medical conditions.
- Supported patients in maintaining prescribed regimen of care.

Family Nurse Practitioner, 06/2021 to 11/2021

Allstar Healthcare – San Antonio, Texas

- Educated patients on treatment options, medical needs and non-medical options for treatments.
- Helped patients manage acute and chronic pain.
- Conducted screenings, diagnostic treatment and rehabilitative services on primary health care team.
- Discussed care plans with patients and explained test results and proper use of medications.

Registered Nurse, Emergency Department, 10/2020 to 11/2021

Brooke Army Medical Center – Fort Sam Houston, Texas

- Collaborated with physicians to quickly assess patients and deliver appropriate treatment

while managing rapidly changing conditions.

- Monitored patient condition, including interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.
- Collected blood, tissue, and other laboratory specimens and prepared for lab testing.
- Conferred with physicians to discuss diagnoses and devise well-coordinated treatment approaches.
- Quickly responded to situations impacting safety and security to unit, actualizing crisis prevention interventions to control and de-escalate situations.

Registered Nurse, Emergency Department, 05/2017 to 05/2020

First Choice Emergency Room – San Antonio, Texas

- Conferred with physicians to discuss diagnoses and devise well-coordinated treatment approaches.
- Documented patient information obtained from interviews concerning symptoms, medications and prior treatment.
- Contributed substantially to successful department JCAHO accreditation by consistently operating to highest standards of care.
- Audited charts and reviewed clinical documents to verify accuracy.
- The business closed the facility for financial reasons May 11th, 2020.

Registered Nurse, Emergency Department, 08/2014 to 12/2017

Brooke Army Medical Center – Fort Sam Houston, Texas

- Provided care in a level one trauma center, assisting with thoracotomies, blood transfusions, conscious sedation, and orthopedic reductions.
- Performed triage on all incoming patients and determined severity of injuries and illnesses.
- Monitored patient condition, including interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.
- Implemented interventions, including medication and IV administration, catheter insertion and airway management.

Registered Nurse, Emergency Department, 04/2014 to 12/2015

Medical Staffing Network Agency – Various Cities Within, Texas

- Managed patients recovering from medical or surgical procedures, including facilitating wound care, ostomy care, pressure ulcer prevention and pain management.
- Traveled to different emergency rooms in Texas as an agency nurse. I was also available to float to medical floors if necessary, to help.
- The two main hospitals that I traveled to were Southwest General Hospital, and South Texas Medical Regional Center.

Registered Nurse, Emergency Department, 04/2013 to 04/2014

Parallon Workforce Agency – San Antonio, Texas

- Providing nursing care in emergency rooms to a diverse population at all Methodist facilities within San Antonio.
- The main hospitals I provided care included Metro Methodist, Northeast Methodist, and Stone Oak Methodist.

- Oversaw delivery of care for all patients on medical-surgical units and emergency room units, providing direct care to patients, delegating nursing assignments and supervising team comprised of nurses, LPNs, technicians and unit clerks.

Registered Nurse, Emergency Department, 06/2011 to 04/2013

Northeast Methodist Hospital – San Antonio, Texas

- Observed and reported patient condition, progress and medication side effects to accurately document updates.
- Collected blood, tissue and other laboratory specimens and prepared for lab testing.
- Conferred with physicians to discuss diagnoses and devise well-coordinated treatment approaches.
- Briefly worked in charge nursing role, addressing disruptions in patient care, including delays in discharge, postponed procedures and discharge equipment unavailability.

Registered Nurse, Long-Term Acute Care, 06/2006 to 12/2011

Promise Hospital – San Antonio, Texas

- Provided nursing care with a small medical team as an RN from April 2010 to December 2011, handling multiple IV drips, ventilation systems and critical wound care that is comparable to an ICU setting.
- Advocated for patients by communicating care preferences to practitioners, verifying interventions met treatment goals and identifying insurance coverage limitations.
- Was a unit clerk at the facility from June 2006-April 2010 (upon receiving RN licensure). Recorded patient's medical history, vital statistics and test results in medical records. Transcribed written physician orders into electronic system.
