While I have been motivated to help people and have achieved this by a strong background in the healthcare industry. I am driven to help people with health challenges reach a better quality of life.

Work Experience

In Home Caregiver

IRIS Home Health Care - Wisconsin Rapids, WI

June 2015 to Present

- This is my current employment. I am a caregiver to my grandmother. She is unable to walk amongst other health issues.
- I help her with mainly shopping, cooking, cleaning, dressing, taking her to the restroom, etc..
- Check her blood sugar and inject insulin.
- Administering at home SUBQ treatments

Licensed Practical Nurse (LPN)

Edgewater Haven Nursing Home - Port Edwards, WI

June 2019 to February 2022

- As a charge nurse at this nursing home I have gained many skills. I can thank this facility for the knowledge I have obtained through practice. I have cared for long-term care residents, residents in hospice, residents with post-operative rehab stay, and residents with behavioral challenges.
- I have gained many management/delegation skills and have been successful at communicating with Doctors, PT/OT, hospice facilities, nutritionists, etc.
- Relaying messages accurately and educating patients about their health concerns is very important.
- I have also needed to use my Spanish speaking skills to communicate with residents and families. This helped with time efficiency and avoided a patient communication barrier.

Education

Bancroft High School

Skills

- I am bilingual. I speak, read, and write in both English and Spanish.
- I have over 8 years experience translating.
- Management and delegation obtained through clinical practice
- Have handled administrative roles
- Strong professional communication skills
- Proficient in Microsoft Office software

Certifications and Licenses

LPN
