Work Experience

RN

TRUSTPOINT HOSPITAL - Murfreesboro, TN

December 2021 to Present

- Provide and coordinate care by assessing patients' physical and behavioral health needs.
- Develop and implement nursing care plans.
- Maintain medical records and educate patients and their families about various physical and behavioral health conditions.
- Provide nursing care and services within the standards and scope of nursing practice as defined within the state Nurse Practice Act regulations, policies, procedures, and protocols, as well as facility and corporate policies and procedures.
- Ensure physicians' orders are legible if taken verbally and transcribed appropriately per policy and procedure.
- Ensure patients' status is assessed on an ongoing basis and pertinent information is gathered and documented.
- Notify physicians of significant changes in status
- Ensure that initial nursing treatment plans are completed upon admission and that all nursing treatment plans are specific to assessed needs.
- Worked as a staff nurse on psychiatry and medical-surgical unit

Mother Baby Nurse

Ascension Saint Thomas - Nashville, TN

November 2020 to September 2021

Provide direct nursing care in accordance with established policies, procedures and protocols of the healthcare organization.

- Implement and monitor patient care plans. Monitor, record and communicate patient condition as appropriate.
- Serve as a primary coordinator of all disciplines for well-coordinated patient care.
- Note and carry out physician and nursing orders.
- Assess and coordinate patient's discharge planning needs with members of the healthcare team.

Radiation Oncology Nurse

Saint Thomas Rutherford - Murfreesboro, TN

September 2019 to November 2020

Assess oncology patients current on radiation therapy for possible side effects including but not limited to skin reaction changes, fatigue, weight loss, GI upset; assist provider with patient exams and procedures (Tandem and ovoid, Savi removal, and Hydrogel), obtain new patient consults, schedule imaging, monitor vital signs, and notify provider of concerns.

Med/Surg RN

Saint Thomas Rutherford - Murfreesboro, TN
July 2018 to September 2019

Assessed patient condition and monitored for changes throughout shift, delegated vital signs and patient ADL's to CNA according to scope of practice, placed Foley Catheters using sterile technique, placed NG tubed, auscultated, and placed order for chest X-ray to verify placement per protocol/MD order, donned and doffed PPE properly when necessary,

LPN (Licensed Practical Nurse)

Tennessee Women's Care - Nashville, TN
August 2014 to August 2016

OB/GYN triage nurse for Dr. Heidemann, Dr. Morgan, Dr. Blake, Dr. Stany, and Dr. Edwards. I triaged all OB/GYN phone calls, assessed situation and assisted in determining solution with provider and per nursing judgment/protocol.

Residents Assistant

Heritage Pointe Senior Living - Cookeville, TN
February 2013 to August 2014

Obtained residents' vital signs and notified the nurse on duty, assisted residents with ADL's.
