EXPERIENCE:

Throughout my nursing career, I have been a floor bedside nurse where I started in pediatrics taking care of newborns to 18 year old's. I then moved to Labor, Delivery, Recovery, Postpartum taking care of mothers from antepartum to postpartum including triage, vaginal births and cesarean sections. I cared for newborns from birth to discharge home at 1-3 days. I then moved to San Marcos where I was an RN in Labor & Delivery as well as postpartum taking care of women from antepartum to postpartum including high risk patients as well as newborn from birth to discharge. I am currently a charge nurse on the women's unit being responsible for Labor & Delivery, Postpartum and Level II NICU.
