## Work Experience

---

### **Registered Nurse**

Wellstar Cobb Health System - Austell, GA

March 2021 to Present

I started working at Wellstar Cobb Health System as a Travel Nurse in Pre Op and Discharge and became a full time employee. Duties in Pre Op included starting IVs, doing initial assessments, administering medications and treatments as ordered, and making sure all required documents were completed before surgery. In Discharge duties include making sure patients are hemodynamically stable, assessing surgical sites, and giving medications and treatments as needed as well as going over discharge instructions with patient and family. Surgeries performed at this facility include burns, GI, GU, GYN oncology, orthopedic, and vascular.

### **Registered Nurse**

TotalMed - Falls Church, VA

Present

Working as a Travel Nurse at Inova Woodburn ASC in Pre Op and PACU. Duties in Pre Op included starting IVs, doing initial assessments, administering medications and treatments as ordered, and making sure all required documents were completed before surgery. In PACU, duties include making sure patients are hemodynamically stable, assessing surgical sites, and giving medications and treatments as needed as well as going over discharge instructions with patient and family.

### **Staff RN- Extended Recovery Unit**

Northside Hospital - Atlanta, GA

March 2020 to December 2020

Admit and discharge surgical patients on a 23 bed unit requiring additional recovery time beyond the PACU. Able to care for a total of nine patients and above in a twelve hour shift, with 4 patients at one time. Specializing in urology, gynecology, mastectomies, orthopedics, and various cosmetic surgeries. Assess, diagnosis, monitor, chart, and give medications and treatments based on physician's orders. Cerner EMR used.

### **Charge Nurse, RN- Adult Psych Unit**

Riverside Health System - Hampton, VA

March 2019 to February 2020

Charge nurse of an acute behavioral health care unit with up to 30 patients. Complete admissions and discharges, staffing assignments, and coordinated with doctors and management team in order to provide quality patient care. EPIC EMR used.

### **Registered Nurse Pre-Op/PACU**

Riverside Health System - Newport News, VA

March 2018 to May 2019

Prepare patients for surgery by placing an IV, performing an assessment and documenting results, administering medications and treatments as ordered by MD. Receiving patients to PACU, monitoring vital signs, administering pain medication as ordered, assessing the patient and documenting results, going over discharge instructions with patients and their families and following MD orders. 2:1 ratio. EPIC EMR used.

### **Operating Room Registered Nurse**

VCU Health System - Richmond, VA

October 2016 to March 2018

Circulating and scrubbing in various operating rooms including, GU/GYN/Davinci, General, orthopedics, and ENT. Interviewing patients in the pre-operative area and verifying consent forms and other required documents prior to surgery. Giving report to PACU nurse and making sure patient is stable prior to leaving operating room. Completed Internship program for operating room nursing which focuses on circulating as well as scrubbing surgical cases. Meditech EMR used.

### **PrePost RN/ Charge Nurse**

Riverside Health System - Newport News, VA

November 2015 to November 2016

Prepare patients for surgery by placing an IV, performing an assessment and documenting results, administering medications and treatments as ordered by MD. Receiving patients from PACU, monitoring vital signs, assessing the patient and documenting results, going over discharge instructions with patients and their families and following MD orders. Experienced in being charge nurse over the Pre Op and Post Op unit which includes assigning rooms to patients, working on the next day's surgery schedule, corresponding with surgeons and the operating room staff to prepare the surgery schedule, and organizing the staff to better facilitate the unit. Horizon EMR used.

### **Charge Nurse/Staff Nurse**

Northside Hospital - Atlanta, GA

October 2013 to November 2015

Responsibilities

Supervise staff of 23 bed Extended Recovery Unit. Administer medications and treatments as ordered by MD. Assess and document patient care and progress throughout their hospital stay. Provide care for new postoperative, ambulatory care patients. 4:1 ratio when staff nurse. EPIC EMR used.

### **PreOp/ PACU Registered Nurse**

Piedmont Eye Surgery Center - Atlanta, GA

March 2011 to October 2013

Prepare patients for eye surgery by assessing the patient, Starting I.Vs, and documenting patient care. Also administering medications as ordered. Monitor patients in PACU after receiving moderate to general anesthesia and discharging patients. Paper charting used.
