PROFESSIONAL SUMMARY

The Nursing Profession has drastically evolved from the Florence Nightingale novel concept. Today Registered Nurses are on the frontline to decrease mortality rate. My Nursing profession still stems from Nightingale's theory such as;

- Establishing the need for sanitation
 - Recognizing dietary requirements
 - Dispensing round the clock patient care
 - Collecting statistical guidance
 - Encouraging education
 - Promoting advocacy
-

CAREER OBJECTIVE

To establish myself within a healthcare facility, where I can utilize my practical skills and knowledge experience in offering my best for all patients regardless of their race, gender, financial status and or beliefs
