

CHANTELLE C. HARRIS

7688 Blue Diamond Rd Las Vegas, NV (510) 309-0221 Chantelle.harris1114@gmail.com

Patient-centered registered nurse seeking to explore travel nursing in a hospital setting. Gathered experience at a 364-bed hospital on an accredited Med-surg/ortho unit, provided post-op care of joint, spinal, abdominal, urological and OB/GYN surgical patients. Competent in evidence-based practices, team-orientated, reliable and demonstrate sound nursing judgement.

EXPERIENCE

SPRING VALLEY HOSPITAL, Las Vegas, NV

2020-Present

Med/Surg RN

- Manage patient load of 1:6, occasionally 1:7 on various med-surg units and ER hold
- Provide post-operative education, effective pain management (oral, IV, Patient Controlled Analgesia, Epidural), IV therapy and aseptic wound care in preparation for timely discharge
- Initiate aseptic procedures: IV and NG tube insertion, foley and straight catheterization, central and PICC line blood draws, drain management (JP, wound vacs, hemovacs), blood administration therapy
- Review and interpret lab panels, EKGs readings, diagnostic imaging, report abnormal findings to attending physician
- Assist as unit preceptor, training newly hired nurses promoting clinical reasoning and patient safety
- Collaborate with interdisciplinary team to ensure quality patient outcome; exceeding patient satisfaction weekly goals in communication above 80%

BRIGHTSTAR CARE, Las Vegas, NV

2018-2020

Home Health RN

- Served in home care for chronic, respite, palliative and hospice clients in self-driven environment
- Completed initial patient assessments (physical and environmental) to determine care needs
- Educated clients and family on chronic disease processes, medications, antibiotic therapy and wound care
- Developed daily care plans, established SMART goals based on nursing diagnosis, effectively met goals to ensure optimal care
