Work Experience

Contract Registered Nurse (RN)

Ben Taub General Hospital - Houston, TX

November 2021 to Present

Provide care for level I trauma pts suffering multiple injuries. Provide care to surgical pts including ortho, thoracic, and many other surgical interventions. Aug physicians with Central line and arterial line insertion as well as bedside endoscopy, bronchoscopy, and tracheotomy procedures.

Registered Nurse

Memorial Herman Medical Center - Houston, TX

July 2019 to December 2021

I currently work in a 20 bed CVICU in the Texas medical center. I am trained to take CRRT and IABP devices. I care for 1-2 patients on a daily/weekly basis who have ventilators, tracheostomy, central lines, arterial lines, swans, chest tubes, and lumbar drains. I'm experienced in the immediate post operative recovery of patients who received CABG, heart valve replacement or repairs, type A and B repairs, open TAAA, AAA, TEVAR, EVAR, and aorto bifem bypass, as well as fast track extubation criteria. I'm skilled at ultrasound guided PIV insertion. I am always motivated to help others and continue to expand my knowledge.
