Objective I am an ambitious registered nurse with 3+ years of experience in various different hospitals. I am looking to further explore the nursing world and provide excellent patient care.

Experience Travel Nurse-Hamilton Staffing February 2022-April 2022

I worked as a step down nurse on a 48 bed cardiac step down unit at Mosaic Medical Hospital in Missouri. On a daily basis I was managing cardiac drips, including cardizem, milrinone, nicardipine, and amiodarone. I also cared for post open heart patients, as well as other cardiothoracic procedures.

Travel Nurse-Trustaff July 2021-November 2021

237 bed hospital on a neuro floor at Dr. P Phillips Hospital in Orlando,FL.

Travel Nurse- American Nurse Mobile March 2021-May 2021

269 bed hospital on an oncology/Medical Surgical floor, as well as Telemetry float nurse

Registered Nurse- Baycare Stroke/Tele March 2019-March 2021

After graduating nursing school I became a nurse on the same unit and advanced to a clinical nurse 2 on the clinical ladder, by keeping up with all relevant and required education. I obtained my NIH scale certification and utilized this skill often. I frequently managed cardiac drips, including cardizem and amiodarone and promptly noted/addressed rhythm changes as necessary.

Patient Care Technician- Baycare Stroke/Tele unit

May 2018-March 2019

Throughout the last year of nursing school, I was a patient care technician and gained experience on providing activities of daily living, obtaining and reporting vital signs, and learning how acute care at hospitals function.

PRN Tele RN -Nurse Finders June 2021-June 2022

Education Palm Harbor University High School - Palm Harbor, FL

Graduated 2014

I completed high school in the Center for Wellness and Medical Professions program to explore all of the different healthcare options. I obtained my CNA license while in high school. I also participated in Health Occupation Students of America (HOSA), National Honors Society and multiple other clubs.

Galen College of Nursing - St. Petersburg

2017-2019

I obtained my Associates Degree of Nursing at Galen College. I participated in many clinical rotations at different facilities. My professors and clinical instructors spoke highly of my performance and professionalism. I was also invited to join the Nurses Honors Society based on my academic performance,
