## Work Experience

---

### **Marketing Manager, Nurse Manager**

Visiting Angels - San Antonio, TX  
March 2014 to Present

This is a family owned franchise in which I have provided assistance in various forms. I was able to develop the clientele and grow the list of provided services. Hiring and management of caregivers, assistant admin services, etc.

### **RN**

Texas Select Staffing - Rockwall, TX  
September 2019 to June 2022

Travel nurse for Covid assignments

### **RN**

CTMC - San Marcos, TX  
August 2019 to September 2021

RN for busy 25 bed ER. Trauma care, triage, medication admin, lab draws, multiple procedure, mental health, pediatric, geriatric, covid 19 care management. Days and nights

### **Case Manager**

Interim Home Health - New Braunfels, TX  
June 2019 to August 2019

Coordinating residents care with ancillary disciplines to ensure proper care. All care reports documented and submitted to various departments. All aspects of wound care. All staffing and scheduling needs. Ensuring proper documentation for survey readiness and proper/accurate billing purposes. Providing accurate OASIS D documentation for government reimbursement through Medicare guidelines.

### **Assistant Director of Nursing**

Senior Care Centers  
January 2018 to October 2018

Managing the skilled care residents.

### **Dialysis RN**

Davita - Dallas-Fort Worth, TX  
December 2016 to November 2017

Charge RN for chronic dialysis patients in very fast passed clinics in the DFW area. I have mastered the essential functions of dialysis and its process. I mainly got into the avenue of nursing because my father

is now on renal replacement therapy and I wanted to know how to manage his care at home. We have succeeded in that goal.

### **Travel Nurse RN**

Elite Staffing Inc.

February 2014 to October 2016

As a travel nurse I have been able to do some amazing things for people and myself. I have a vast amount of experience in virtually every aspect of the hospital setting. The Emergency Room was my specialty, followed by telemetry, post op, med/surg, ICU, and stepdown units.

### **Case Manager RN**
