Summary

I have spent the last 7 years working as a registered nurse. I try every shift to give my all to help every patient I meet. I have specialized in taking care of postpartum moms, newborn babies, and pediatric patients.

Experience

Southern Illinois Healthcare | Carbondale, IL

Registered Nurse | 02/2015 - Present

Assessed need for, ordered, obtained and interpreted appropriate lab tests.

Primary care, assessment and evaluation of postpartum, neonatal and pediatric patients.

Pharmacological and non-pharmacological management and treatment of various disorders and diseases.

Performed lab tests and communicated results.

Liaised between patients and physicians to ensure patient comprehension of treatment plans.

Instructed patients and family members on proper discharge care.

Closely monitored acute conditions.

Heartland Women's healthcare | Marion, IL

LPN (Licensed Practical Nurse) | 08/2014 - 02/2015

Triaged obstetrical and gynecological patients by doing vital signs, asking for health history, and assessing what they were there for.

Made appointments for patients for next visit.

Performed non-stress tests on pregnant patients.

Printed lab orders and called in prescriptions to pharmacies.

Traveled to different offices to provide care for patients with the providers.

Assessed patient's needs and communicated them with the providers.
