PROFILE

Patient-focused and empathetic registered nurse seeking a OR Circulating RN position. Bringing with them more than 2 years of experience, care and extensive knowledge to help improve the lives of their patient

EXPERIENCE

OR RN, SAN FRANCISCO SURGERY CENTER; SAN FRANCISCO, CA — JUNE 2020- JULY 2022

Assist patients prior to surgery to complete paperwork, and help answer questions or calm fears about surgery and ensure all documents are signed prior to surgery. Consult and coordinate with health care team members to assess, plan, implement and evaluate patient care plans. Prep operating room for patient/procedure and position patient appropriately for surgery. Manage the overall nursing care in the operating room and observe and enforce strict standards of asepsis. Educate patients on best practices for recovery, including pain management and keeping wounds clean. Record all care information concisely, accurately and completely, in a timely manner, in the appropriate format and on the appropriate forms. Respond to life-saving situations based upon nursing standards and protocol.

REGISTERED NURSE, NURSEREGISTRY; SAN FRANCISCO, CA — MARCH 2020- MARCH 2022

Travel to patients homes and manage their care plans according to physicians instructions. Listen to the concerns of family members and answer their questions. Educate caregivers and family on the aftercare or ongoing care of the patient. Provide suggestions for improved healthcare to physicians and family members of the patient.

EDUCATION

WESTERN GOVERNORS UNIVERSITY; SALT LAKE CITY, UT — BSN, 2021
GURNICK ACADEMY OF MEDICAL ARTS; FRESNO, CA — ADN, 2019
