Practical Nursing Student

Graduation date April 29, 2022

Current GPA 3.70

Lamplighter

## **Overview**

I have been in health care for over ten years. I learn new skills quickly and enjoy growing in my health care career. At Concorde, I am a Lamplighter, which means that my GPA has maintained over a 3.5 for the duration of the Practical Nursing program. I volunteer at school events, tutor students upon request, and make myself available for any questions or needs that may arise.
