Proven leadership focused on increasing and enhancing patient care and satisfaction. Streamline safety protocols for comprehensive patient care. Consistently developing strong relationships with patients and families through empathetic communication, respectful attitude and excellent customer service.

Work Experience

Caregiver

Brighton Gardens of St. Charles - Saint Charles, IL

October 2020 to Present

- Documented care actions by completing records and logs in medical software system.
- Answered call lights and supported patient comfort and safety by adjusting bed rails and equipment.
- Assisted with feeding and monitored intake to help patients achieve nutritional objectives.
- Provided customized care according to individual health plan.
- Maintained compliance with HIPAA and organizational privacy-protecting policies.
- Answered phone- and Internet-based correspondences to address inquiries.
- Created positive patient experience by assisting patients with bathing, ambulating, feeding and personal and oral hygiene care.
- Reported unusual or urgent circumstances in patients' condition or environment immediately to nurse supervisor.
- Measured and recorded food and liquid intake and output to report changes to medical and nursing staff.
- Furthered skills by actively taking part in employee training and taking classes to improve skills.
- Contributed to overall quality and care of patients by answering calls for help, taking vital signs, and monitoring behavior and physical condition for progress or deterioration.
- Wiped down equipment with proper cleaning products after each patient transport to reduce instances of infection.
- Collaborated and shadowed multidisciplinary team members to plan, manage and assess treatments in care units.
- Facilitated personal hygiene management, feeding and ambulation.
- Reduced risks of patient infection and cross-contamination by cleaning and sterilizing equipment.

Nursing Assistant

Aperion Care - Elgin, IL

March 2020 to April 2020

- Gathered dietary information, assisted with feeding and monitored intake to help patients achieve nutritional objectives and support wellness goals.
- Assisted patients with mobility needs, including moving to and from beds, organizing wheelchairs and preparing assistive devices.

- Answered call lights and supported patient comfort and safety by adjusting bed rails and equipment.
- Cared for clients with diagnoses such as respiratory failure, diabetes, Parkinson's disease and muscular dystrophy.
- Facilitated activities of daily living, including personal hygiene management, feeding and ambulation.
- Helped patients effectively manage routine bathing, grooming and other hygiene needs.
