Work Experience

Travel Nurse

Baptist Health System KY - Lexington, KY

March 2022 to Present

I have experience with orthopedic, general, vascular, plastic, urology and gynecology surgeries. Monitor patient closely using the Aldrete score, Glasgow coma scale, and vital signs to discharge patient to next level of care. Administer medications and care as ordered. Can utilize EPIC, Omnicell, Alaris pump.

Nurse Practitioner

The Little Clinic - Lexington, KY

January 2020 to Present

Care for acute conditions with patients age 2-99. Administer vaccinations and therapeutic injections. Assess, diagnose, and prescribe necessary treatments. Provide patient education. Make referrals, if needed. Complete patient care via Telehealth, at times.

Nurse Practitioner

TeamHealth - Lexington, KY

December 2019 to September 2021

Assess and evaluate pre operative and post operative patients. Will order medications and test. I interpret lab and test data and treat according. Cared for 6-11 patients daily in an acute care setting.

Registered Nurse

Uk Healthcare - Lexington, KY

June 2003 to April 2021

Registered Nurse for 16 years. I am now ready to take on a more advanced role as a Nurse Practitioner. During my clinical some skills I learned are suturing, wound care, electronic prescription, lab interpretation, customer service, and case management. I am so excited and ready to start as a new provider.
