## Work Experience

---

### **LVN Charge Nurse**

Pleasant Springs Healthcare Center - Mount Pleasant, TX

September 2021 to Present

Currently contracted with this facility. I delegate nurse aide assignments and job duties, overseeing admissions and discharges, monitoring and ordering medicines and supplies. I'm very familiar with our PCC system. I monitor patients' reactions to medication or treat, report back to a supervising RN or in house physician to modify a treatment plan. Provides quality patient care.

### **Charge Nurse LVN**

Regency Integrated Health Services - Longview, TX

January 2020 to August 2021

LVN Charge in an all women memory care unit.

As a Charge Nurse I'm Responsible for overseeing my unit and a staff of CNAs and a med aide within the healthcare facility during my 12 hr shift. I delegate nurse aide assignments and job duties, preparing schedules, overseeing admissions and discharges, and monitoring and ordering medicines and supplies. I'm very familiar with our PCC system. I monitor patients' reactions to medication or treat, report back to a supervising RN or in house physician to modify a treatment plan. As a LVN charge nurse, I also have administrative duties such as scheduling patients appointments and maintaining records. I also work closely with our in house Nurse Practitioners to coordinate individual care for each resident that has hospice care, PT, OT, and ST.

### **LVN Charge Nurse**

Winchester Lodge Healthcare Center - Alvin, TX

April 2021 to May 2021

Contract with Ink Staffing. Monitor patients' reactions to medication or treatment, report back to a supervising RN or in house physician to modify a treatment plan. As a LVN charge nurse, I also had administrative duties such as scheduling patients appointments and maintaining records. Responsible for overseeing a specific hall within the healthcare facility during my shift; delegating nurse aide assignments and job duties, preparing schedules, overseeing admissions and discharges, and monitoring and ordering medicines and supplies.

### **Travel Nurse**

Brian Center Health & Rehabilitation/Windsor - Windsor, NC

October 2020 to November 2020

One of many contacts with Ink Staffing. Gained experience in trachea Care, IV antibiotic, starting IV's . I delegate nurse aide assignments and job duties, overseeing admissions and discharges, and monitoring and ordering medicines and supplies. I'm very familiar with our PCC system. I monitor patients' reactions to medication or treat, report back to a supervising RN or in house physician to modify a treatment plan.
