Hello,

I am looking to expand my career and nursing experiences. I am a thorough, trustworthy, hardworking, and dedicated individual. I have experience with training and shift supervising. I feel that I would be a great addition to any team oriented facility.

Work Experience

LPN (Licensed Practical Nurse)

Green Bay Health Services - Green Bay, WI

February 2022 to Present

Under the supervision of an Unit Manager / DON I assume responsibility and accountability for assigned residents on a wing. My job includes preparing and administering medications as prescribed, calling physicians/family members of residents when needed, admissions, wound care, medicare charting, and discharges. I provide care through coordination, implementation, and evaluation of the resident's plan of care. I adhere to the standards of care for the facility, manage the environment to maintain resident safety, and supervise the residents care activity performed by nursing assistants.

LPN (Licensed Practical Nurse)

Eden Senior Care - Appleton, WI

August 2020 to January 2022

Eden brook of Appleton is a skilled nursing facility located in Appleton, Wisconsin, as a part of the Eden Senior Care network.

- To provide planning and delivery of direct and indirect patient care through the nursing process of assessment, planning, prevention, and evaluation.
- Direct the day to day activities of the nursing assistants
- Prepare and administer medications as ordered by physicians and perform other drug administration.
- Communicate changes in patient clinical condition with physicians, nursing supervisors and family
- Complete required record keeping upon residents admission, discharge, transfer; chart and document per facility protocol

Health Screener (Temperature Taker)

BrightStar Care - Appleton, WI

June 2020 to September 2020

BrightStar Care is a Home Care and Medical staffing company. At BrightStar my LPN responsibilities included taking temperatures with a no-touch thermometer for employee's and asking screening questions for employee's before they entered the workplace.

CNA - Certified Nursing Assistant

SHEBOYGAN SENIOR COMMUNITY - Sheboygan, WI

March 2018 to July 2020

SSC is an assisted living, rehab, and long term care facility. I worked at SSC as a CNA in the rehab and long term care units, under the supervision of the assigned LPN/LVN or RN Unit Supervisor. I performed resident/patient care activities and related services necessary in caring for the personal needs, safety, and comfort of residents/patients as assigned. I assisted in providing a positive physical, social, and psychological environment. I also cared for dying residents and provided post-mortem care as instructed.

CNA - Certified Nursing Assistant

Sheboygan progressive health services - Sheboygan, WI
2016 to March 2019

SPHS is a long term care and rehab facility. I started my CNA career here at SPHS in a youth apprenticeship program through Lakeshore Technical College and Oostburg High School. I worked for SPHS for over 3 years since my senior year in high school. While at work I helped residents with ADLs such as brushing teeth, toileting residence, helping with showers, helping residents get dressed, change beds, and assisted with meals. I worked under an RN or LPN and reported all changes in the resident's condition to the charge/staff nurse as soon as practical.

Education

High school diploma

Oostburg High School - Oostburg, WI
September 2013 to June 2017

Certifications and Licenses

LPN

2020 to 2021

I finished my LPN courses at Lakeshore Technical College(LTC) in December 2019 and took my state boards in May 2020. While at LTC I had a clinical in the hospital(OB, Med surg, Mental Health) and a long term facility. At clinical I was exposed to medication administration, Epic charting systems, care of patients with wound vacs, care of IV systems, and different disease processes/care for them.
