Work Experience

Registered Nurse (RN)

University Hospital of the West Indies - Kingston
September 2018 to 2021

I have worked as a critical care nurse in the intensive care unit. I have garnered the knowledge and skills to care for immediate post operative patients and how to identify complications. I am also certified in basic life support, Advance cardiac life support and Electrocardiography.

Registered Nurse (RN)

Cornwall Regional Hospital - Montego Bay
September 2014 to June 2018

I worked on medical, surgical, orthopedic, plastic surgery, neurosurgery, and general surgery unit. This is the institution that helped me to set a good foundation in my nursing career. I was also given a scholarship from this noble institution to be trained as a critical care and then worked in the intensive care unit.
