EXPERIENCE

University of Maryland Medical Center, Baltimore, MD — ICU RN

October 2021 - PRESENT

Preceptorship involves providing patient care, performing assessments, and interventions at a 16-bed ICU unit for trauma and post-surgical patients. Assessed patients' condition, notified physicians of clinical changes as well as prepared and implemented patient care plans. Monitored vital signs, adequacy of ventilation, and levels of consciousness and pain. Administered medications as determined by the patient's condition (IV, Sub-Q, etc.) Communicated the patient's condition to family members in a compassionate and non-technical manner.

Sandstone Care, Colorado Springs, CO — Behavioral Health Technician

September 2020 - September 2021

Experience of working in addiction and behavioral related fields. Experience working with a diverse population and a strong understanding of multicultural issues

UC Health, Colorado Springs, CO — CVICU Nurse Extern

November 2021 - April 2021

Provided patient care under RN supervision (performed phlebotomy, IV insertions, basic patient care) and developed holistic understanding of diagnostic procedures

Centura Health, Colorado Springs, CO — CNA Floatpool

November 2021 - April 2021

Maintain patient safety, vital signs and patient observation, responsible for notifying RN for any changes of patient condition and care plan
