Work Experience

Registered Nurse

St.Mary's Hospital

May 2022 to Present

The Staff RN is responsible for assessing, planning, implementing and evaluating the care of patients.

RN

Integrated Resources, Inc. / CVS Minute Clinic

March 2021 to March 2022

As the Registered Nurse, I conduct all activities related to screening patients for COVID19: patient registration in EPIC EMR, insurance verification, point of care test specimen collection/processing, notifying patients of results, educate patients on appropriate next steps based on test results.

- Additional responsibilities include maintaining infection control and lab processing requirements.
