Work Experience

ER RN

Wilson N. Jones Regional Medical Center - Sherman, TX
March 2020 to Present

RN in a 24 bed ER. Level III trauma center. Pt load is 5. TNCC, ACLS, BLS, PALS and CPI certifications.

RN on a busy and extremely fast paced Med-Surg unit

Texoma Medical Center
June 2019 to February 2020

Patient load varies from 5-6 with patient acuity ranging from 1-3. I am responsible for attending to my patient's needs, giving medications, admissions, discharges, extensive charting, administering blood and assessing for change in pt condition plus many more nursing skills. I must work efficiently with a team of nurses, charge nurses and doctors for the best interest of my patients. I currently work a 12-hour shift.

PRN status

Marshall County Emergency Medical Services
October 2018 to May 2019

Attendant in charge of an advanced life support ambulance in a rural 911 system. Provides emergency care to sick and injured individuals in the field, and continued care while en- route to the ER. Responsible for providing and directing the care for sick and injured individuals. I am responsible for leading cross functional teams of first responders and establishing scene safety, triaging patient prioritization and resource management in mass casualty situations.

Clinical Nursing Student

Grayson Community College
2017 to 2019

Worked under direct supervision of nursing staff, for a total of 540 clinical hours, performing nursing interventions and care in various specialties including ER, OR, Wound care, L&D, Behavioral Health, Med-surge Unit and Hospice.

EMT

Bryan County Emergency Medical Services, Advanced EMT

January 2010 to October 2018

Attendant

Bryan County Emergency Medical Services, Advanced EMT

January 2010 to May 2015

in charge of an advanced life support ambulance in rural and town settings. Provided pre-hospital emergency medical care for the citizens of Bryan County. Assigned as uniform officer, ensured that all employees were properly outfitted in the appropriate uniform and that all the assigned uniforms were kept in good repair while maintaining the assigned budget. PRN from Jan 2010 to May 2015.

Principal, Superintendent, parents and students

Colbert Public schools - Colbert, OK

August 2001 to May 2015

Colbert OK.

In charge of successfully educating the students assigned to me for each school year. I had to plan and deliver educational lessons for each day. I had to address and manage behavioral issues with the children. Organizational skills were a must with this job. I was the leader in my classroom supervising aids each year. I communicated very well with my peers, Principal, Superintendent, parents and students.
