Cooper.stef13@gmail.com – (708) 850-6434

Knowledgeable registered nurse seeking to utilize previously acquired skills as a member of a dedicated healthcare team in providing high quality client centered care.

Experience

Clipboard Health- Registered Nurse (September 2021-Present)

- I travel to various facilities who are in need of staff to assist in providing client care. Job duties include **medication and treatment administration, providing and directing patient care, and documenting observations and data effectively**. I maintained organization and leadership with the ability to delegate tasks appropriately while maintaining efficient time management in patient care.

Ascension Living Resurrection Place- Registered Nurse (April 2022-Present)

- I provided direct patient care as registered nurse to a variety of patients including psych and alzheimer's. Duties included daily monitoring and evaluating of client conditions, medication administration, and working with other healthcare professionals to maintain and improve quality of life.

Education

- Rasmussen University- Associate of Science in Nursing
July 2019-June 2022

Certifications

- Illinois Board of Nursing- Registered Nurse (#-041516854)
- American Heart Association- Basic Life Support (BLS)
