CRITICAL CARE COORDINATOR

Flexible Critical Care Nurse who excels at delivering reliable and dependable care to patients is in my wheelhouse. Using training, problem solving and a great personality to accurately assess critical care needs and come up with win/win solutions. A team leader and a team player that uses all resources and, "then some," to deliver world-class critical care and coordination!

MAJOR ACCOMPLISHMENTS

- Developed an award winning Critical Care Unit serving over 500 patients
- Successfully supervised 20 nurses to deliver outstanding outpatient care
- Managed World Class Ambulatory Surgery Center and team of 25 team members
- Successfully managed ICU and Recovery Center
