PROFESSIONAL SUMMARY

I am an RN with three years experience in high risk labor and delivery, antepartum and postpartum just outside of Baltimore, Maryland. I am an **expert multi-tasker, capable of prioritizing clinical and operational tasks in fast-paced labor and delivery settings.** I am a **superior team player, always willing to help and learn new skills.** I take pride in **advocating for my patients while providing direct quality care.** Most notable skills include **outstanding patient care, effective and coherent interdisciplinary communication, and the ability to thrive in unfamiliar settings.** I am an excellent candidate for this position.
