## LANGUAGES

In addition to being proficient in English, I am also proficient in speaking, reading, and writing Hmong. I am able to translate and provide health education to Hmong speaking patients.

## PROFESSIONAL EXPERIENCE

**Kaweah Delta Medical Center**, Visalia, CA — *MedSurg Travel RN*

APRIL 2022 - PRESENT

- Identified and addressed patient needs and established rapport with hospital staff and patients.
- Utilized glucometer to control blood sugar in patients with diabetes.
- Maintained and recorded accurate and detailed flowsheets of patient conditions using Cerner.
- Provided care and administered medications to patients with multi-system illnesses while working closely with other healthcare workers to improve quality of life for these patients.

**Oroville Hospital**, Oroville, CA — *Medical-Surgical RN*

OCTOBER 2020 - MARCH 2022

- Provided care for up to 5 medical surgical/telemetry patients on a 24-bed unit.
- Developed strong time-management skills in order to provide timely care for acutely ill patients, many of whom suffered from multi-system diseases.
- Provided direct nursing care to both preoperative and postoperative patients by preparing patients for surgical procedures and monitoring patient recovery postoperatively.
- Improved ability to rapidly identify patients in decline and initiate preventative measures.
- Acted as Float RN to other med-surg units including the emergency department to provide direct care to med-surg border patients; patient care provided includes completing full head-to-toe assessments, administering IV and PO medications as ordered, providing wound care, and monitoring patients for signs and symptoms of deterioration.

## RELATED EXPERIENCE

**Butte Home Health Plus**, Chico, CA — *Home Health Aide*

FEBRUARY 2019 - DECEMBER 2019

- Provided compassionate care and capably assisted each client with activities of daily living.
- Assisted clients with range-of-motion exercises.
