Willing to relocate: Anywhere

Work Experience

Nurse Vaccinator

Medix - Baltimore, MD

May 2021 to October 2021

Nurse Vaccinator, followed CDC policies, administered Moderna Vaccine, Pfizer Vaccines, and Johnson and Johnson Vaccines. Documented and vaccine card. Scheduled next vaccine were due. Monitor patients for adverse reactions.

Staff Nurse/Operating Room Nurse

North West Hospital Center - Randallstown, MD

May 2000 to October 2017

I started my career at North West Hospital Center as a staff nurse and managed a variety of duties. I am accountable for patient care and assessment, care plan, recording and implementing doctor's orders and admission and discharge of patient. I transferred to the Operating Room thirteen years ago and transitioned to a nurse circulator, managing and working various surgeries, including vascular, general, plastic, laparoscopic, orthopedics, urology, egd/colonoscopy. I maintained collegial/working relationships with nursing staff and physicians to ensure quality patient care.

Home Health Nurse

Visiting Nurse Association - Windsor Mill, MD

December 2016 to June 2017

7008 Security Blvd, Suite 300

Windsor Mills, Maryland, 21244

My duties were to visit and provide nursing care to clients at home, community center and resident settings. Duties included observing/assessing and recording patients needs and behaviors. I performed physical exams and diagnostic test, finger sticks, lab work, vital signs, also collecting patient histories, informing the Medical Doctor of any changes with the patient., counseling patient and their families, educating patient about treatment plans, administering medication, wound care and other various duties.

Nurse Administrator/Operating Room Nurse

North West Hospital Center

October 2007 to June 2008

Lead the establishment of a new surgical center, which included compliance of JACHO and State Licensure Law. Performed and circulated urology procedures. Credentialing physicians, overseeing

medical assistants, ordering and restocking facility with medical supplies. Pre-operative intra-operative, and post-op care of patients and many other various duties.

Charge Nurse/Unit Manager

Mariner Health Care - Laurel, MD
September 1997 to May 2000

Initially employed at Mariner Health Care as a Charge Nurse, a year later I was promoted to Unit Manager despite candidates that were more senior than I was. I had a variety of duties including being accountable for the around the clock management of a forty-bed unit, conducting resident assessment, MDS, Care plans, monthly orders and admission and discharge of residents. I assured the smooth interaction between my staff, the residents and their families. Interviewed and hired new personnel, performed quarterly employee evaluations, and acted as relief supervisor through out the facility. On numerous occasions, under my leadership the unit had undergone inspections from the state review and at no time was a discrepancy on merit noted.

Charge Nurse

Vantage House Retirement Community - Columbia, MD
October 1996 to March 1998

At Vantage House, I carried out streamlined processes to implement the orders of the physicians. Performed general patient care and delegate duties to a staff of six Nursing Aids. My responsibilities also included the distribution of medication, G-tube feeding, wound care, I.V. care, Central line/Porta-Cath/ Picc line care; And other various duties.
