Language skills

English- Fluent

Portuguese- Fluent

Spanish- able to understand

Certifications

Basic Life Support

Issued March 2021

Expires March 2023

Skills

I have some sales experience that has helped me learn computer skills and communication skills.

My current job has helped me learn skills with marketing and communication as well.

Clinical Experience

I have completed clinical hours on many different floors such as medical surgical, rehabilitation, behavioral health, etc. I completed my capstone on a same day surgery floor. I learned how to

admit patients and prepare them for surgery. I also had the opportunity to also be able to go into the operating room which I enjoyed as well.

Community Service

I spent three consecutive summers going on humanitarian trips to help those in need. I was able to help the people in Paraguay, Dominican Republic, Fiji, and Thailand.

I have also spent time at a senior center giving senior citizens company through activities.

Hobbies

Swimming, traveling, photography, learning about new cultures.
