Work Experience

Med-Surg/Telemetry RN

Baptist Health Fishermen's Community Hospital – Marathon, FL - April 2022 to Present

Provided inpatient care on a 8 bed unit, as well as outpatient services. Provided aide for ED RNs to provide patient care in the Emergency Department.

Med-Surg/Telemetry RN

Lower Keys Medical Center - Key West, FL - December 2020 to March 2022

Cared for up to 6 patients on a 36-bed unit. Experience in administering tube feedings, managed drains/tubes, PICC and Central Lines, performed wound care. Cared for patients on cardiac telemetry, patients on PCA pumps, wound vacuums, heparin drips. Have preceptored a new graduate nurse.

Registered Nurse

Key West Health and Rehabilitation now known as Palm Vista Health and Rehabilitation - Key West, FL - January 2018 to December 2020

My daily duties consisted of developing nursing care treatment plans, treating patients for illnesses or injuries and performing routine lab work, supervised other staff, including other nurses, administering medications and injections, and assisted doctors.

Hospitality Aide

Key West Health and Rehabilitation December 2017 to January 2018

My duty to ensure that all the patients' needs were met in a timely manner and to help the nurses and doctors as needed. I also always ensured the safety of the patients during daily activities.

Personal Support Worker

Visiting Angels Inc - St. Catharines, ON April 2015 to September 2016

- Acted as patient liaison
- Aided clients in maintaining satisfactory level of hygiene by assisting in bathing, grooming, toileting, eating and positioning.
- Assisted clients in their daily activities and reach their maximum potential.
- Performed sitter duty or client watch for confused patients in clinical care setting.
