Work Experience

Critical resource unit registered nurse

Advocate Condell Medical Center - Libertyville, IL

September 2021 to Present

- Performed patient assessments
- Administered oxygen, blood products, medications
- Analyzed and completed electronic charting
- Performed daily rounds with primary care providers and other medical team members
- Performed dressing changes on wounds and surgical wounds
- Floated to a variety of different medical surgical units
- Assessed patient physical, social, language or mental needs
- Continuously monitored patients' conditions
- Provided discharge planning
- Provided support services regarding treatments and administration of medication as ordered

Study Group Tutor

Instructional Services at Alverno College - Milwaukee, WI

February 2021 to May 2021

I tutored groups of students for several nursing courses. I made study material, and provided practice questions for student. I communicated with various professors to make sure I was reviewing the correct material.

Student Nurse / Clinical Rotations

Columbia St. Mary's- Milwaukee - Milwaukee, WI

February 2021 to May 2021

I was selected for the mom/baby clinical unit. I also had the opportunity to float to L&D and the NICU. I love my experience and getting to see more areas where nurses can work.

Student Nurse / Clinical Rotations

Columbia St. Mary's- Milwaukee - Milwaukee, WI

September 2020 to December 2020

I was on a progressive care medical surgical unit, at the time the unit also was partly a COVID unit so I got to experience what it was like when caring for COVID positive patients.

Student Nurse / Clinical Rotations

Froedtert Medical Center - Wauwatosa, WI

February 2020 to March 2020

This clinical got cut short due to the pandemic. I was on a pulmonary medical surgical unit. I really grew as a nurse during this clinical getting more experience passing medications, doing dressing changes, and getting to see an open heart surgery.

Student Nurse / Clinical Rotations

Columbia St. Mary's- Milwaukee - Milwaukee, WI

September 2019 to December 2019

This was my first clinical and my first time taking care of patients. At the time I wasn't checked off on all of my skills so we did very basically patient care skills like bed baths, basic ambulation, and learning therapeutic communication.
